GETTING BACK into the swing of things in Campbell after being away for more than two years is being made easier by the warm words of welcome we have received since our return.

But it will take time just the same to get adjusted, so we will appreciate if you sort of bear with us while we get our bearings.

There will be times when we may have trouble remembering exactly where we are because community problems are basically the same wherever one is. But the names of the people concerned are different, so if we call someone Jack when it should be Joe, you will know why. We probably knew a Joe (or Jack) in Temple City where we have spent the last two years or so as editor of the newspaper.

-o-

AMONG THE NOTES of welcome received was this one from Jim Hurley, Campbell postmaster:

"Dear George: The employees of the Campbell Post Office extend a warm welcome to your family and Checkers. It was noted by the window clerk, Gladys Sprecher, that you will be her new neighbor and in our discussion, we found that your home will have a "Checkers Proof" fenced-in yard and thus feel that the mail carriers and Checkers will have a happier relationship than that mentioned by Joe in his article in the Press today."

Thanks, Jim, for those kind words and we will pass them onto Checkers who has remained in the smog until we get settled here. Those of you who may remember Checkers may recall that her biggest problem is that she doesn't know she is a dog. Apparently no one has ever told her, and we have never had the heart.

-o-

ALTHOUGH WE HAVE been away for some time, we have kept pretty much in contact with the community and it is nice to know that we have been remembered for our previous six-year stint in Campbell, from 1956 to 1962. (We suppose Police Chief John Morgan would claim that it is similar to a criminal supposedly always returning to the scene of his crime).

But this keeping in contact with this community has been worthwhile in many respects. For example our dad, who lives in Oceanside, thought we had left Temple City before we did, so he wrote a card to us in Campbell.

The card was merely addressed to "Major George and Dorothy, Campbell, California."

It was forwarded to us in Temple City from the Campbell post office without any delay.

No election---maybe

City suspends ordinance as compromise looms

Campbell's controversial zoning ordinance on a 10-acre parcel of orchard land on Latimer Ave. went into a state of suspension on Monday night at the council meeting.

The suspension will hold until the council acts on the referendum that was presented on April 21 by homeowners who are protesting the PD (planned development) zoning for the area. The zoning includes a 74-unit garden apartment, a five-story commercial building and a service station.

City Attorney Joseph Bonacina ruled that the ordinance was suspended and that the council must either repeal the ordinance or call a special election because the petition carried enough valid signatures.

It was reported at the meeting by representatives of both the homeowners group and the developers of the area that both groups would be willing to meet in an effort to work out their differences.

If this "meeting of the minds" can come up with a suitable compromise, it was indicated at the meeting that the special election would not be necessary.

The council put off for two weeks any action on the referendum to allow the two groups to confer.

If the differences can be ironed out, the matter will then again start through city channels and the offending ordinance could be modified, Bonacina pointed out.

City Clerk Dorothy Trevethan reported that the petition filed had 703 signatures and the Registrar of Voters showed that 649 were valid.

City park gets comfort station

Campbell Park will get a comfort station that costs $7600 as a result of the City Council on Monday awarding the contract to the low bidder for the construction job.

City Manager Robert C. Stephens reported that there were five bidders for the project ranging from the low of $7600 to a high of $10,433. The low bidder was Pelham D. Houchin.

In another park action, the council voted to install a crosswalk at Century and Virginia at the Virginia Park as a safety measure. Residents in the area had requested safety measures be taken as a protection for the youngsters using the park.

But no tree

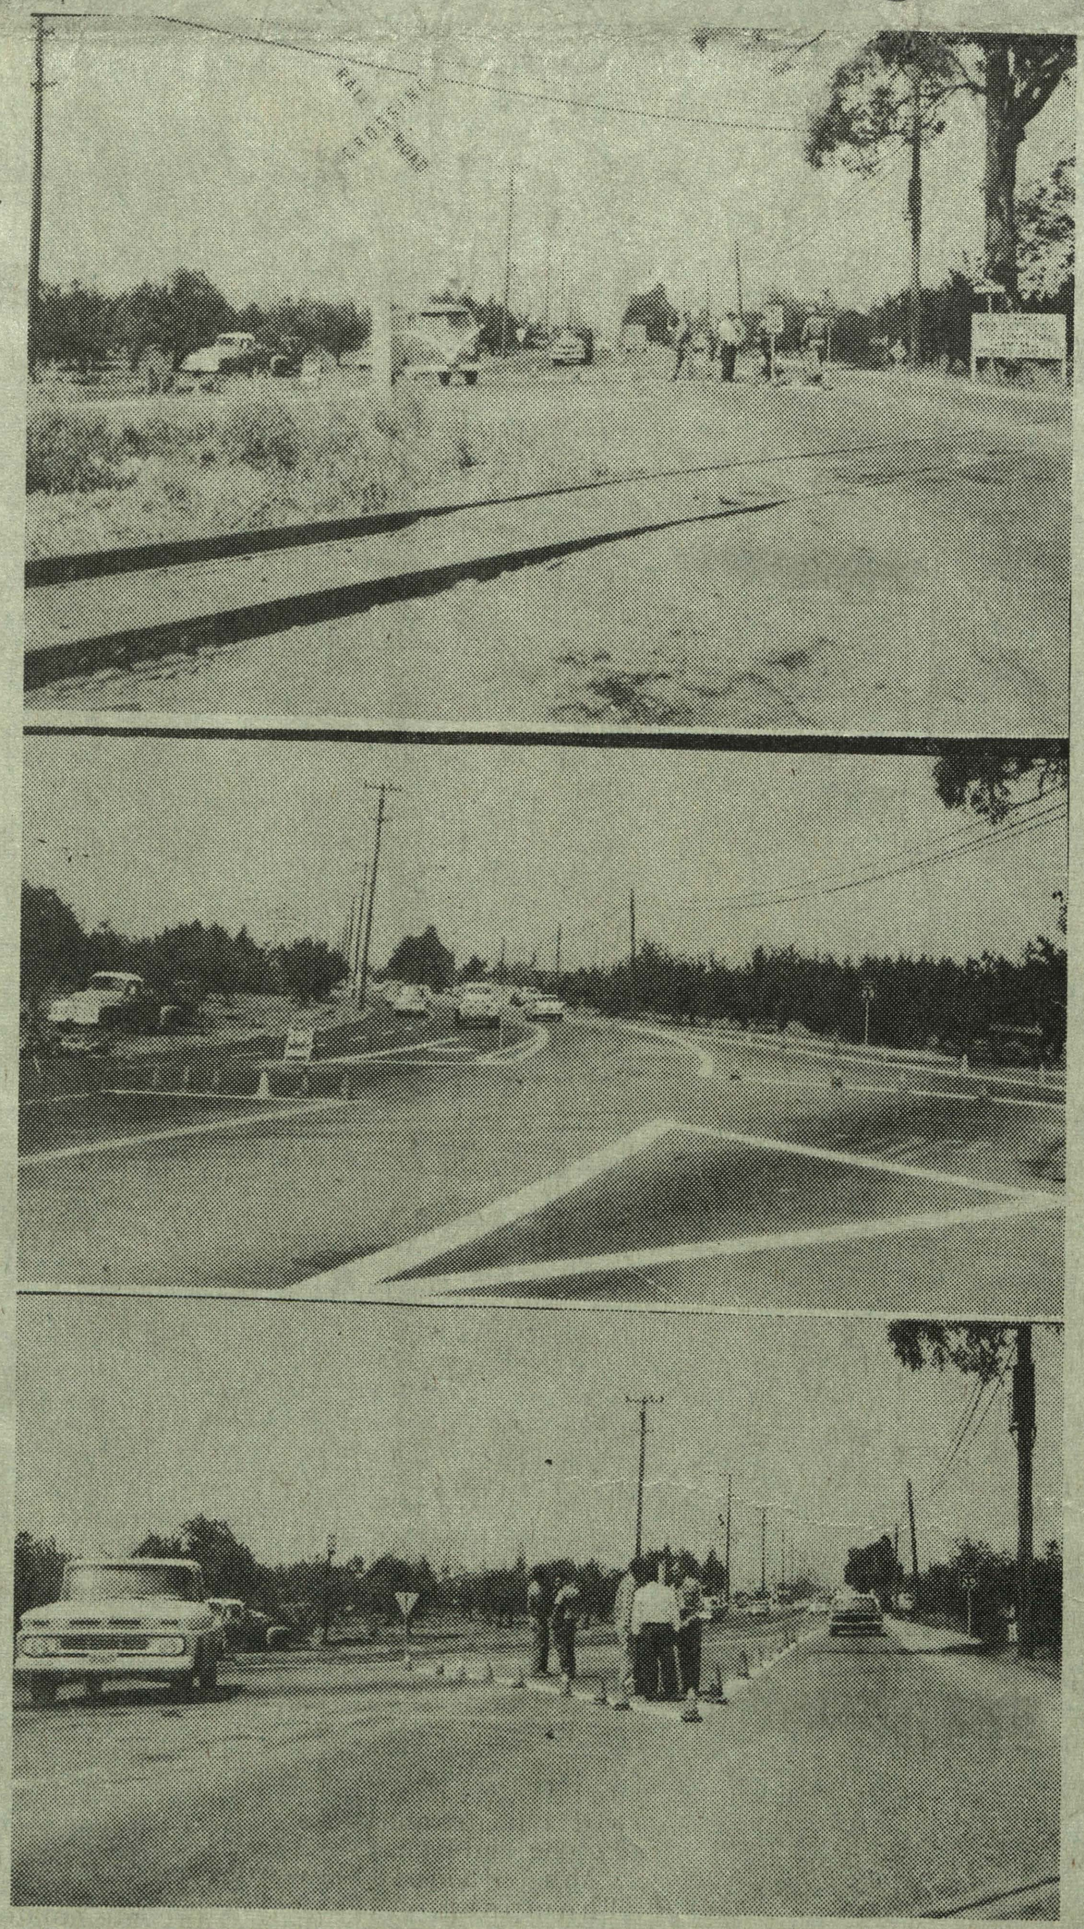
Did you notice 'em? New city limit signs were erected this week.

But as Councilman Robert McElroy said at the council meeting Monday, they didn't seem to resemble the signs chosen by the city more than a year ago. Councilman Ed Rogers agreed and wondered where the tree went that was on the design selected.

Myron Hawk, public works director, then explained that it had been too costly to carry out the original design and the new signs were a compromise.

The Councilmen agreed that the signs were a great improvement, even if the tree had to be replaced by mere leaves.

Merrily (?) they roll along



WINCHESTER WIDENING—This week the City of Campbell completed the widening and striping of Winchester Blvd. at Camden Ave. Despite a certain amount of confusion at first because of the new traffic pattern established, city officials have high hopes that the traffic flow will be improved at that complicated intersection.

CROWNS NEW QUEEN--Mayor Charles Rose crowns Miss Pam Thompson as the new Miss Campbell of 1964.

Del Mar High School girl wins Miss Campbell crown for 1964

Pam Thompson, 17, the daughter of Mrs. Marjorie Thompson, 1152 Cameo Drive, was crowned Thursday, April 23 as Miss Campbell of 1964. Mayor Charles Rose placed the crown on her head before a large audience at the Villa Felice following the Chamber of Commerce Second Annual Spring Fashion Show.

Pam, who stands a petite 5' 1 1/2" in her stocking feet, is a senior at Del Mar High School and plans to attend Kaiser Nursing School. She has light brown hair, changeable blue-green eyes and a sweet personality which will be of considerable asset during the next year as she carries out her duties as Miss Campbell of 1964. One of her first official duties will be to reign over the 72nd annual Old Settlers' Celebration May 14-17. Pam was sponsored by the Campbell Fire Fighters Association.

First runner up and Princess in Miss Campbell's court is Miss Pat Rhine, 19, daughter of Mr. and Mrs. D.C. Rhine, Sr., 235 N. 2nd Street. A freshman at San Jose State Pat is an English major. Her sponsor was Betty's Beauty Bar.

Placing third in the competition was Miss Susan Bowles, 18, daughter of Mr. and Mrs. Max H. Bowles, 681 Elden Drive. She is also a freshman at San Jose State, a nursing major, and was sponsored by A-1 Tool Shed Rentals.

Fire destroys garage shop

Fire destroyed a garage and workshop at the home of William Stoutimore, 337 N. Esther, Monday afternoon. Capt. Bill Morgan of the Campbell Fire Department said the fire destroyed a $700 fiberglass boat and a $900 outboard engine.

Fire Dept. to hold open house this week-end

Campbell Fire Department will hold open house this week-end, May 2 and 3, in conjunction with Fire Service Days in Campbell. Open house hours will be between 10 a.m. and 4 p.m. There will be a demonstration of fire safety equipment, the use of protective clothing, special tools and fire engines on display. Sunday will be family day and the children are especially invited to tour the fire department. There will be favors and books for the children.

Miss Pamela Lee Thompson, Miss Campbell of 1964 and the Fire Department's "Miss Flame" will be hostess for the occasion along with Fire Chief George Maxwell.

What the Council did ...

Actions taken by the City Council on Monday covered a wide-range of activities.

For example, the council---

1. PASSED resolutions of appreciation for two former councilmen and mayors, Peter B. Lico and Henry A. Weitzel and Jarvis Stender, Sr., retiring police reserve officer.
2. APPROVED the first reading of two ordinances. One for the annexation of 3.3 acres in the San Tomas area and the other for a zone change to PD for 10 acres on Llewellyn.
3. ACCEPTED (but with some noticeable misgivings) the challenge of the Chamber of Commerce for a donkey baseball game on Friday, May 15.
4. DIRECTED a traffic study be made on the need of four-way stop signs at Central and Payne and David and Central near the new Castlemont School.
5. DIRECTED the city manager to study the need for the mailing of notices to concerned property owners when a zone change is contemplated, as suggested by Robert Sneed at the meeting.
6. APPROVED the recommendation of Public Works Director Myron Hawk for the ultimate plan for the widening of the north side of Hamilton Ave. from Winchester to the San Tomas Expressway.

Editorial

No change in policy

Now that there has been a change in the editor's chair at The Campbell Press, will that mean that there will be a drastic change in the editorial policy?

We know that a number of you are asking that question and we consider it very fair fair one and deserving of an answer.

But the point is that there really has been no change in the real sense of the word in personnel. Consequently, there will be none in policy.

You might say there has been just a shift in assignments.

George Vierhus, who now has the title of editor and publisher, was also editor and publisher from 1956 to 1962. For the past two years or so Joe Anello, who has been associated with The Press for more than ten years, has been acting publisher while Vierhus was on a special editorial assignment in the Los Angeles area.

Vierhus has now returned to The Press and takes over his old position while Anello will handle the advertising and production end of the operation, a position of equal importance and responsibility. Both share in the ownership of the paper.

Thus the question of "editorial policy" will continue to be one of "shared responsibility" and will remain unchanged.

Does that answer your questions?

Just to make the record straight, we think the question of policy was well stated in a recent editorial written by Anello: "We have called our shots as we have seen them. In our opinion that is the main reason for the existence of a community newspaper. And just because we agree or disagree with a certain policy adopted by any governmental agency, certainly does not make it right or wrong."

We think that about covers it.

Any other questions?

A new mayor

A new mayor has taken over the helm of the city.

We are convinced that he will be a good one, for we have known Mayor Charles Rose for a long time and we can vouch for his integrity and sincerity.

Although elected councilman in the last election, the new mayor is not really a newcomer to the council, for he had previously served for six years. He was elected for a two-year term in 1954 and reelected for a four-year stint in 1956. He also served as vice-mayor when he was on the council previously.

Charlie is a native of Campbell and very few can outdistant him in either faith or loyalty to his community.

It is, of course, inevitable that the new mayor will make mistakes in judgment. They say that the only one who does not make mistakes is the person who does nothing. But the mistakes that Rose will make will be honest ones.

And knowing the man as we do, we know he will also admit it, if it can be shown that he was wrong.

Naturally, we are not going to give a blanket of endorsement to all the actions of the new mayor and the city council.

We also have the courage of our convictions and will state them.

But we have a great deal of faith and confidence in the new mayor. We know he is dedicated to make Campbell a better place in which to live or work.

That sort of dedication gets our whole-hearted support.

Have at it, Mayor Charlie.

ANNUAL TOUR

Next Monday, May 4, the members of the Campbell Country Woman's Club will tour the plant of Sunset Magazine in Menlo Park. Mrs. Gordon H. Taylor is in charge of arrangements, assisted by Mmes: R.B. MAY 1 IS LAST DAY TO REGISTER AT SAN JOSE STATE

Freshman and lower division students must complete application for admission to San Jose State College by May 1 for the 1964 fall semester, according to the SJSC Admissions Office.

Because of the limited enrollment imposed on the college by the Board of Trustees, only 3,700 freshmen and lower division transfer students will be admitted. All applications are being treated on a first-come, first-serve basis.

with "Charlie" Gubser

As a member of the Armed Services Committee, I am concerned about the manner in which our national defense posture has been misrepresented to the American people. In his recent rebuttal to General LeMay's testimony before the Appropriations Committee and in his release of previously secret figures about our strength as compared with Russia, Secretary McNamara's facts were so incomplete as to constitute misrepresentation.

Here are two examples. The Secretary said we have 540 strategic bombers on 15-minute alert. This figure includes all of our B-47 bombers which are obsolete and are presently being scrapped. If the full truth were known, in less than one year the correct figure will be considerably less than 540.

The Secretary told the American people that we have 750 ICBM's as compared with 187 for the Soviet Union. This is a true fact, but the conclusion that the people will draw from it is not the truth. The Secretary neglected to tell the American people that European targets which will certainly be involved in any future war are within the range of Russian intermediate range ballistic missiles, and that these Russian ICBM's can accomplish the same mission and carry the same warheads to targets as our ICBM's.

According to the lowest published figures I have seen, Russia has more than 700 intermediate range ballistic missiles on launcher. A true picture of our relative strength would compare the number of Russian IRBM's and ICBM's with our number of ICBM's.

In the missile versus bomber controversy, it has often been implied that the missile can do everything a bomber can do. This is not true. For example, it is conceded that only the bomber can successfully attack certain hardened sites. The Secretary of Defense, himself, has testified: "Although most of the aiming points in the Soviet target system can be best attacked by missiles, the long-range bombers will continue to be used in the follow-up attack, particularly against hard missile sites."

A missile is a one-shot weapon, but a bomber can seek an alternate target. Bombers can drop more megatonnage, more warheads, and do more damage. With a bomber we can upgrade our demonstrated will to retaliate and in so doing strengthen the hand of an American negotiator at some future conference table. A missile is always the same threat to a potential enemy, while a bomber can be upgraded as a threat through the simple method of making it airborne. Furthermore, it can be called back before its bombs are released. As General LeMay has said: "If you were President of the United States and only had missiles to fire, when would you press the button?" With bombers the President can present an increased threat without committing the world to nuclear war.

Mr. McNamara's obsession to discount all opinions except his own may be proper self-confidence but his position should be justified only with facts and figures which are not misleading. I would prefer that defense strategy not become a political issue as in 1960. But as long as it obviously is going to be, let's have the full truth.

Taxpayers Assoc. support county bond program

Support of the County's proposed $31,625,000 bond issue to be voted on June 2 has been offered by the Santa Clara County Taxpayers' Association.

Association President Robert B. Suhr presented the group's unqualified endorsement to the Board of Supervisors at last week's board meeting.

Suhr noted that passage of the bonds and elimination of pay-as-you-go program will result in a five cent tax reduction for 1964-65 from the present 9.7 cent capitol improvement tax rate.

The $31,625,000 bond program, if approved June 2, will provide county buildings for medical, juvenile and jail facilities, and schools for handicapped children, $15,992,000; regional parks, $6,750,000; regional airports, $2,115,000; electronic vote tabulating equipment, $1,600,000; county buildings for the Civic Center and branch centers, $5,992,000.

"All of these needs are proper programs to be financed by general obligation bonds," Suhr said.

CUSD authorizes lease with JC

Campbell Union School District Board of Trustees has authorized its president, Mrs. Eleanor Graham-Armstrong, to sign the lease of Campbell Grammar School to West Valley Junior College District.

The lease runs for a term of two years with the option that West Valley Junior College District may renew it on an annual basis. The rental is fixed at $48,000.00 per year. This money goes back to the State of California, under an agreement whereby Rolling Hills School was built on a state school building aid fund loan. The annual payment of $48,000.00 will serve to reduce the amount of that loan.

Business Manager C.E. Bradley pointed out that copies of the lease have been filed with the county counsel, county superintendent of schools, the State Department of Finance, and in the Campbell Union School District administrative office. Any interested member of the public may inspect the lease at any of these places.

Church sponsors open forum on Rumford Act

An open forum of the Rumford Act will be sponsored by the Congregational Church of Campbell Sunday evening, May 3 at 7 p.m. Ken Kennedy, Los Gatos Real Estate Broker, will present both sides of the question which will soon be balloted on by California voters. A question and answer period will follow the forum.

Preceeding the meeting will be a family pot luck supper at 5:30 p.m. Child care will be provided.

Mrs. John Low is chairman for the forum which will help interested persons understand both sides of the controversial question. The meeting is open to the public.

School kids to sing for the fun of it

The Sixth Annual Choral Festival of Campbell Union School District will be presented by 1349 children from 17 schools singing for one another - and for the sheer joy of it - on two mornings, Thursday and Friday, May 7 and 8, from 9 a.m. to noon. Campbell Grammar School auditorium will resound with the young voices of 714 boys and girls one day, 635 the next.

Dr. Hartley Snyder, head of the music department, San Jose State College, will write commentaries and suggestions after hearing each participating group.

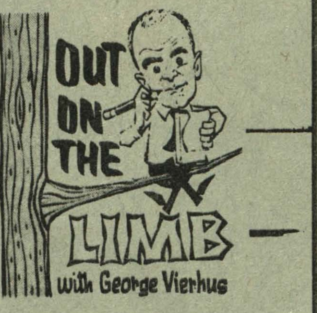
On Thursday all of the groups will be from kindergarten through sixth grade; on Friday there will be both all the seventh and eighth graders and some additional pupils from grades K-6.

April 30 is last day for filing

Thursday, April 30, is the deadline for filing California unemployment insurance wage reports and contribution returns for the first quarter of 1964, Thomas C. Clark, Auditor in Charge for the State Department of Employment in San Jose, today reminded employers.

Penalty and interest will be charged if the report is filed after the deadline, April 30, 1964, Clark said.

More about



home and it will even be nicer when we get our feet more firmly on the ground. Our associate, Joe Anello, will continue to be the main cog in the operation of The Press.

He has done a great job during the past two years, for which we will be eternally grateful.

Joe's "Bleatings by the Old Goat" will continue to appear from time to time along with "out on the limb" which is resumed in this issue after an absence of more than two years. Joe, you see, is our right arm.

After all, an arm is a LIMB.

Campbell Schools to host West Valley businessmen

All the schools of Campbell Union School District are preparing a big welcome for West Valley merchants, business and professional men on Education-Business Day May 6, 1964. The annual event will begin at 10 a.m. in the district administration building, 155 North Third Street, Campbell.

Six seventh grade girls from Mrs. Donna Samsel's homemaking class at Rolling Hills School will be hostesses, serving coffee and cookies to the visitors in the administration building board room, before they tour the building and leave to visit district schools.

Exhibits will display different kinds of work carried on by staff members in the administration building, such as business management, personnel selection, library operation, and students' science projects and art work.

After touring the administration building, the guests will be taken to visit a school to see actual classroom teaching as it is done today. They will eat lunch in school cafeterias, then return to their cars in the administration building parking lot by approximately 1 p.m.

Education - Business Day is a reciprocal tradition between Campbell Union School District and the Campbell Chamber of Commerce. The Chamber members began in October, 1960, by inviting educators to be guests in their own industry, office or shop on Business-Education Day. The mutual objective of both the Chamber of Commerce and Campbell Union School District is to increase mutual understanding and appreciation between business men and educators.

Inter-district discord over JC "seat-charges"

West Valley Junior College officials are continuing to negotiate with San Jose City College trustees on the basis of an $80 seat charge recommended by George M. Downing, San Jose associate superintendent, in spite of interference from Foothill Junior College President, Dr. Calvin Flint. Flint allegedly attacked the San Jose proposal, advising that Foothill intended to hold the line at $150, or even possibly $300.

Dr. Wallace W. Hall, West Valley superintendent, said it was "highly unusual" for a third party administrator to attack the proposals of an administrator to his governing board. Foothill levied a "seat charge" of $70 against West Valley Junior College for each of its students attending Foothill last year.

West Valley trustees Edward Panelli and Jack Armstrong attended the San Jose trustees' meeting and quoted Flint's comments. Panelli said, "Flint presented a veiled threat. He figures Foothill's outlandish "seat charge" will put San Jose City College in a box by forcing West Valley students to flock from Foothill to San Jose." Chairman Bruce Allen of the West Valley Board said, "I think Flint is beginning to realize he cannot maintain his country club atmosphere on the current Foothill tax without gouging revenue from another source."

ART FESTIVAL

MR. AND MRS. RONALD ALLEN DAY

Nancy Van Sickle is bride of Ronald Day

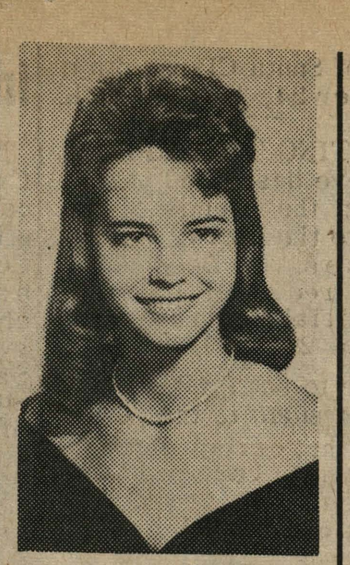
A beautiful afternoon ceremony at the First Methodist Church of Campbell united Nancy Jean Van Sickle and Ronald Allen Day in marriage, Saturday, April 18. Rev. William Gould officiated. The bride, a first grade teacher at Hamilton School, was given in marriage by her father, George Van Sickle. Her sheath wedding gown of silk peau de soie, featured a fitted bodice with scoop neckline detailed with Alencon lace. An attached overskirt fell into a Chapel length train. Her bouquet was a cascade of white stephanotis and roses centered with an orchid. A high lace tiara held in place a bouffant elbow length veil.

Mrs. Glenn Day, sister of the bridegroom, was Matron of Honor. Bridesmaids were Miss Kristine Petersen and Miss Chris Axelson. Little Marla Jane Wynn was the flower girl and Master Dene Wynn was the ring bearer. The attendants were identically attired in floor length sheaths of powder blue chiffon. The flower girl wore a similar version in a matching short dress. They all carried French bouquets of pink carnations and rosebuds.

Glenn V. Day served his brother as best man and ushers were Steve Van Sickle, Roger Deal, and Michael Wigham.

A reception for 350 friends and relatives was held following the ceremony at the Grange Hall in Campbell. The buffet table was centered with an arrangement of gladioli, stock and chrysanthemums. The bride's table was lovely with a centerpiece of gardenias and tall white tapers in silver candelabra. Mrs. Loren Hardison was in charge of general arrangements. Others assisting were Mmes. George Eisenbeis, Conway Farrar, Viggo Haugaard, Ken Pettit, and Richard Johnson.

The young couple left for an undisclosed wedding trip and will make their future home in Santa Clara. The bride is the daughter of Mr. and Mrs. George F. Van Sickle of 1978 Cabana Drive. She is a past honored queen of Jobs Daughters, Bethel 298, Campbell. The bridegroom is the son of Mr. and Mrs. Rease E. Day of Palo Alto. He is presently employed as an aircraft electrician with United Air Lines.



MISS DIXIE CODNER

Dixie Codner engaged to Charles Davis

Mr. and Mrs. Stephen J. Codner, Jr., of 845 Connie Drive, announce the engagement of their daughter, Dixie Lee to Charles Davis. Both young people are 1963 graduates of Campbell High School, and are employed locally. Miss Codner was a recent entrant in the "Miss Campbell" contest. The couple are planning a June wedding. Davis is the son of Mr. and Mrs. Harry Dunham of Campbell.

Iris fanciers to tour local gardens

Two Campbell residents, Donald L. Peterson, 1114 Longfellow Ave., and Bryce Phenis, 1673 Calado Ct., will open their iris gardens for a tour by members of the American Iris Society May 2 and 3. For the past two years tour gardens have been playing host to more than 200 seedlings and innovations from iris hybridizers throughout the United States. The May 2-3 convention period was selected to coincide with the peak blooming season of iris in the San Jose area.

Harry J. Randall, C.B.E., of Beaconsfield, Buckinghamshire, one of England's top iris breeders, will address the convention of the American Iris Society at a luncheon slated for Saturday, May 2, in Hyatt House Hotel, convention headquarters.

United Church Women to have Fellowship Day

Mrs. Mark W. Loomis is chairman of the day. The Theme is "Freedom of Residence and Job Opportunity".

Program speaker at 1:00 will be Mr. Phil Grice, Director of Human Relations for the city of San Jose.

All women in the West Valley Area are invited to participate in the fellowship.

Teachers to act in melodrama; aid scholarship

"BEAUREGARD'S DECISION" or "WHEN MORELAND WAS ONE" has been chosen as the theme for this year's version of the Candle-Lite Cabaret, which the Moreland District Teachers' Association will present on Friday and Saturday evenings, May 1 and 2, from 8 p.m. to 12 p.m. in the Cafetorium of the Rogers Junior High School.

This theme depicts the plight of the first unsuspecting male teacher hired in the Moreland District. On one side he is confronted by a large group of spinsters, on the other side the armies of the North and South are clamoring for his services. Poor Beauregard! What a decision!

All members of the school staff, both certificated and classified, are invited to participate in this production. The scholarship fund will benefit from this endeavor. In past years nine scholarships have been awarded from this fund to students of the Moreland District who wish to become teachers.

Mayfair Riders sponsor dance at Legion Hall

The Mayfair Riders Horsemen's Association is all set for their annual "Roaring Twenties" dance to be held Saturday, May 2, at the American Legion Hall in Campbell on Dell Avenue behind the IBM plant.

NEWLYWEDS--Pictured leaving Saratoga Federated Church following their wedding Saturday afternoon, April 4, are Mr. and Mrs. Stephen Kallam. The bride is the former Phyllis Romero, daughter of Mr. and Mrs. Chris Romero, 1003 Capri Drive, Campbell. The bride is a graduate of Campbell High School. Photo by Fred Smith, Photography.

Local family loses suit against Penney's

The heirs of the estate of Mrs. Marie Straight, 56, a Campbell woman who was killed in the big boiler blast in the J.C. Penny store last year, have lost their suit against the store for $150,000 damages for her death.

Her husband, Harold L. Straight, 745 Harrison St. and his two adult sons and a daughter, had filed the suit. Mrs. Straight was employed at the store as a yardage clerk at the time of her death.

The Superior Court ruled, however, an employee injured or killed in scope of employment could not hold his employer liable: that recourse lies with the Industrial Accident Commission and gave the store judgement. The Straight heirs can, however, still proceed for damages against other defendants. These include the Thrifty Drug Co., McDonald Products Co. of San Francisco which had installed the boiler, and the Hartford Steam Boiler inspection service, charged with supervising the boiler's maintenance.

TV show will benefit NAACP

Great stars from Hollywood and Broadway will pool their talents to bring the ultimate in entertainment to Santa Clara Valley in a nation-wide closed-circuit TV spectacular in San Jose Civic Auditorium. The NAACP Freedom TV Spectacular will start at 8 p.m. May 14, preceded by a brilliant stage show starting at 7 p.m.

The inimitable Lena Horne and Steve Allen of TV fame will serve as co-chairmen of the Hollywood segment of the telecast. Ed Sullivan and Sammy Davis, Jr. - star of stage, screen and TV - will be co-chairmen for the portion originating in New York.

The NAACP Freedom TV Spectacular in San Jose Civic Auditorium is expected to draw a capacity audience from the area extending between Monterey and San Mateo. The same show, broadcast live from Broadway and Hollywood, will be seen via simultaneous closed-circuit telecast in theaters in San Francisco and across the nation.

In San Jose, Wende[illegible] Watkins Concert and Stage Management has tickets for sale at 89 South First Street. Other outlets will be announced.

Half the profits from the NAACP Freedom TV Spectacular will be turned over to the National Freedom Fund of NAACP: half will be used by local NAACP branches to fight the California Real Estate Association's proposed amendment to the state Constitution to forbid for all time any kind of fair housing legislation, either at state or local level. Attending this unforgettable event of entertainment is one way any member of the public can help realize the American dream of equality, with freedom and justice for all.

Photocopy machine given to library

The Campbell Library will offer a new service to its patrons thanks to the generosity of the Women's Service Club of Campbell. In the future for the nominal sum of 25 cents a page, any reference material in the library may be copied through the use of a new photocopy machine, the gift of the club to the library. This service should be especially useful to students and researchers and will save much time in copying material by hand from the library's reference books.

The Women's Service Club also presented the library with an illuminated world globe. The money for these gifts was raised by several social events. Mrs. Harold Strickland is president of the Women's Service Club of Campbell.

Buc varsity baseball team still undefeated

The Campbell High Varsity baseball team came through with two come-from-behind victories this week to continue on the victorious path in league play. Tuesday saw the Bucs behind 4 to 2 until the sixth inning. Four walks and a single by Junior Rodriguez and an error by Egge of Del Mar on Don Kinzel's ball helped score four big runs for a 6 to 4 victory.

Thursday's game saw the Bucs behind the Leigh High Varsity by 3 runs in the seventh inning in a 5 to 2 game. Two hits, two errors, and two walks helped push 5 runs across for Campbell and the Bucs pulled out another win, this time by a 7 to 5 score. Castro and Beauchamp hit homers for Leigh in a losing cause.

Campbell's Pat Hartigan received the win in the Del Mar game and Murray Hall got the win in the Leigh game.

Campbell now has a 5 and 0 league record.

Blackford in gymnastic tournament

Sports

By ALAN LISS

With the new interest in the national sport of Gymnastics, County-wide competition has been available this year to the Junior Highs in Campbell. Seventh and eighth grade students of Blackford Elementary School have participated in and proved quite victorious in these competitions.

Tumbling, Floor Exercise and Trampoline were introduced at Blackford for the first time last year as an after-school sport. Working with limited equipment, time and experience, the team has shown remarkable progress under the enthusiastic coaching of Mrs. Schnyer and Ron Spangler.

At the County Novice Gymnastic Tournament held at San Jose State on April 4th, Blackford placed a proud second in total team points.

OUR TOWN

By Grace Hebard

You should have been there! Meaning, of course, the Chamber of Commerce luncheon and Fashion Show at Villa Felice last Thursday when the new Miss Campbell, Pam Thompson, was chosen. From all indications, the nautical look will be very popular this season and navy and white, a smart color combination. Some of those noted enjoying the event were Mrs. Ted Regas, all in black, with a red rose trimming her chic black straw chappeau...Mrs. John Butterfield, a pretty blonde, in a pink knit suit...Mrs. Ira Kirkorian in a smartly tailored beige suit...Mrs. Betty Leonard was wearing a floral print with a large brimmed chartreuse hat.

......

A career girl to the bitter end...that's Mrs. Fred (Marjorie) Doss, 245 Cloverdale Lane. She welcomed a baby boy, John Hamilton Doss, Friday, April 24 at San Jose Hospital...but took along her dictaphone equipment to continue her work as a medical reports secretary while convalescing....

....

Mr. and Mrs. Leslie Fairchild, 213 No. 2nd St., left this week for a month's trip to Chicago, Washington D.C., and eventually the New York's World Fair. They will also visit with their married son in Detroit.

The Homecoming Reception in honor of the 75th anniversary of the First Congregational Church of Campbell was a big success with a good attendance. Such an array of salads, sandwiches and cakes served in the patio...

.....

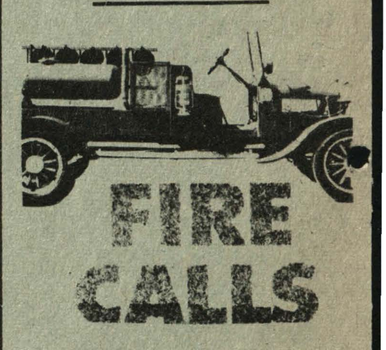
Dr. and Mrs. W.P. Calvert, 1082 Bent Drive, who are the parents of six sons, will celebrate their twentieth wedding anniversary May 15 by flying to Hawaii for a two week's vacation. They plan to tour all the Islands with headquarters at the Reef on Oahu.....

....

A group of parents in the Moreland School District have recommended to the Board of Trustees that a commendation be given to Miss Masako Ishida, first grade teacher at Bucknall School, for her many years of dedicated service to the education of children. Miss Ishida, 309 Kuehnis Drive, has a twenty-seven year record of uninterrupted teaching...five of those years at Bucknall School. A third generation Californian, Miss Ishida taught Navajo children in a government school in Arizona during World War II. She has also taught in several private schools in the area. Her many kindnesses and devotion to the children at Bucknall has been noted and appreciated by the parents.

....

Neal Royer, assistant superintendent of Campbell Union School District, lost an excellent secretary, Mrs. Ken Morton, when she was promoted to be secretary to William Henley. But he gained another, Mrs. Don Blevins (Lavonne Parish) who started to work April 22nd.



April 21 - Overheated stove, 966 Sobrato Drive.
April 24 - Brush fire. Illegal burning. 1707 So. Bascom
April 24 - Rescue call. 475 Dover Way. Victim DOA.
April 25 - Fire in pan on stove. 319 St. Paul Dr.
April 26 - Fire in building. Lint in dryer. 388 Memphis Dr.
April 26 - Children igniting gasoline spilled on sidewalk.
